FAO : J Burgess

Trees and Landscape Officer

Ref : 0259/15

Date : 8 June 2015

Proposed Buildings : Hillyfield

Relevant Policy : COR1 (h), COR 3

General comments

This is a Prior Notification, but the storage is for forestry equipment and agricultural equipment. Can you have a Prior Notice for dual use? Under the old prior notification process it was either part 6 or part 7 not both.
